## Contentment

FLETCHER DAVIS

Happiness comes not in gaining  
The heights beyond all others' reach;  
Nor is greatness born attaining,—  
But doing what's allotted each.

Not all can scale the mountain's crest,  
Not all can blaze the untried way;  
Because you cannot lead the rest  
Scorn not the humbler part to play.

Learn this lesson; enough to know  
Love and contentment here are won  
Only by patient steps and slow,  
And noble is that's nobly done.

Despise no task however mean;  
Shirk not what is your labor's due;  
Give your best effort and I ween,  
Sweetest content will come to you.

—Holland's Magazine for February.

## Life of Robert Edward Lee

Robert E. Lee, the greatest South-  
ern general, son of Henry Lee, ("Light  
Horse Harry,") was born Jan. 19, 1807,  
in Stratford, Va.

Robert E. Lee's life was very simple  
and noble. He was graduated at West  
Point in 1829. On June 30, 1831, he  
was married to Mary Custis, daughter

of G. P. Custis.  
In 1846, Scott took Lee with him to  
Mexico and made him military adviser

on his staff. From 1852 to 1855 he was  
commandant at West Point. Mr. Jef-  
ferson Davis assigned him to a lieuten-

ant-colonelcy of one of the regiments  
which Congress added to the army in  
1855. He was sent against John

Brown's raid on Harper's Ferry in 1859.  
In 1861, he was offered the command  
of the U. S. army. But when his state

seceded from the Union he resigned  
and accepted the command of the state  
forces. For a year he was inconspicu-

ously employed in Virginia and South  
Carolina. When the Confederate Gov-  
ernment was transferred from Mont-

gomery to Richmond, General Lee be-  
came the military adviser of President  
Davis.

The wounding of General J. E. John-  
ston at Fair Oaks, May 31, 1862, called  
Lee to supreme command.

After that, his history is the history  
of the Army of Virginia.  
He beat Pope at the second battle

of Bull Run and immediately after-  
ward commenced his invasion of the  
North. The General gained two great

victories. The battle of Fredericksburg  
and Chancellorsville. His second inva-  
sion of the North resulted disastrously

at Gettysburg.  
He was pitted against Grant whom  
he opposed stubbornly at the Wilder-

ness, Spottsylvania and Cold Harbor.  
The siege of Petersburg and Richmond  
followed. Lee's efforts to keep off the

break-up of the Confederacy were  
unavailing. Lee was compelled to  
evacuate Richmond April 2, 1865.

At Appomattox, he sought to effect  
a junction with Johnston, but was  
hemmed in by Grant's army and forced

to surrender April 9. After the war,  
he urged the people to accept its re-  
sults in good faith.

Soon after the war, he became Presi-  
dent of Washington College in Lexing-  
ton, Va. (now Washington and Lee  
University) and was President of that

school until his death, Oct. 12, 1870.

Rothe, a pupil of the Eighth Grade,

## Solves A Deep Mystery.

"I want to thank you from the bot-  
tom of my heart," wrote C. B. Rader,  
of Lewisburg W. Va., "for the wonder-

ful double benefit I got from Electric  
Bitters, in curing me of both a severe  
case of stomach trouble and of rheuma-

tism, from which I had been an almost  
helpless sufferer for ten years. It  
suited my case as though made just for

me." For dyspepsia, indigestion, jaun-  
dice and to rid the system of kidney  
poisons that cause rheumatism, Elec-  
tric Bitters has no equal. Try them.  
Every bottle is guaranteed to satisfy.

## A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling--mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.

Here's an Offer You Should Not Overlook

The active medicinal ingredients of Rexall Orderlies, which are odorless tasteless and colorless, is an entirely new discovery. Rexall Orderlies are eaten like candy and are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagree- able effect or inconvenience.

Unlike other preparations for a like purpose, they do not create a habit, but instead they overcome the cause of habit acquired through the use of ordinary laxatives, cathartics and harsh physic, and permanently remove the cause of constipation or irregular bow- el action.

We will refund your money without argument if they do not do as we say they will. Two sizes, 25c. and 10c. Sold only at our store—The Rexall Store. Falkenberg & Martin.

### Foley Kidney Pills.

Are tonic in action, quick in results. A special medicine for all kidney and bladder disorders. Mary C. Abbott, Wolfboro, N. H., says: "I was af- flicted with a bad case of rheumatism, due to uric acid that my kidneys failed to clear out of my blood. I was so lame in my feet joints, and back, that it was agony for me to step. I used Foley Kidney Pills for three days when I was able to get up and move about and the pains were all gone. This great change in condition I owe to Foley Kid- ney Pills, and recommend them to any- one suffering as I have." W. H. Win- drow.

The Hondo Lumber Co. has remodel- ed and repainted the interior of its office, installing new shelving, etc. Among other conveniences installed is a new fire-proof safe. B. H. Roberson, the carpenter, had charge of the build- ing of the shelves and hence, it goes without saying that the job is well done. J. W. Whipple did the painting. The Company now has a neat and well arranged office of which it can well feel proud.

To prevent pneumonia, a cold settled on the lungs should be attended to at once. Put a Herrick's Red Pepper Porous Plaster on the chest and take Ballard's Horehound Syrup internally. We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to relieve indiges- tion and dyspepsia. If they fail we will refund your money. Three sizes: 25 cents, 50 cents and \$1.00. Remem- ber you can obtain Rexall Remedies only at the—The Rexall Store. Falk- enberg & Martin.

### Foley's Kidney Remedy—An Appre- ciation.

L. McConnell, Catherine St., Elmira, N. Y., writes: "I wish to express my appreciation of the great good I de- rived from Foley's Kidney Remedy, which I used for a bad case of kidney trouble. Five bottles did the work most effectively and proved to me be- yond doubt it is the most reliable kid- ney medicine I have ever taken and shall always have my endorsement." W. H. Windrow.

As will be noticed by the table print- ed elsewhere, the poll tax payments are about 200 short of those of last year. You only have until midnight next Tuesday night to attend to this important matter, and should not neg- lect it. It has been virtually settled that the question of Statewide Prohi- bition will be submitted to a vote next July, and every anti-prohibition- ist who fails to secure his poll tax re- ceipt will virtually contribute a vote to the prohibitionists. Do you want to do it? If not get busy and pay the tax now. This is the last call to you to do your duty.

Rudolph Posch was in town from Biry Thursday.

## Children Cry FOR FLETCHER'S CASTORIA

A Barbed Wire Cut, Collar or Saddle Gail not properly healed leaves a disfiguring scar.

**Ballard's SNOW LINIMENT**

Is the Right Remedy for All Abrasions of the Flesh.

If the wound is cleansed and the liniment applied promptly, the healing process begins at once and the wound heals from the inside outwardly, thus per- forming a perfect cure that leaves no scar. If the wound heals on the outside too quick- ly, pus forms under the sur- face and breaks out into a run- ning sore that is hard to cure and inevitably leaves a bad scar.

Owners of blooded stock pre- fer this liniment to all others for that reason, and they use it not only on fine animals, but on human flesh, as it does its work quickly and thoroughly.

Price 25c, 50c and \$1.00.

### Died.

Mrs. Virginia Miller (nee Flowers) died at the home of her son, W. F. Miller, at this place at 5:30 o'clock Friday afternoon, January 20, 1911, of old age. The remains were interred the following afternoon in the old cemetery by the side of those of her late husband, Jacob Miller. Her pastor, Rev. M. L. Darby of the Methodist church, performed the last sad rites.

The subject of this sketch was born in Logan county, Kentucky, July 28, 1839. She was married to the late Jacob Miller in that state September 11, 1860, and came with him at once to Texas. They traveled to this state in wagons and settled in Guadalupe county where they lived until 1883, when they came to Medina county where they had since resided. Her husband preceded her in death about 12 years ago.

Mrs. Miller was the mother of two children. The eldest, Charles, died in infancy. The other is our fellow townsman, W. F. Miller, at whose home she died. She is also survived by two stepsons, T. B. Miller of Seguin and J. W. Miller of this place. There are also five own grand-children, seven step-grand-children and five great-grand-children left to mourn her departure. Two brothers, James S. and Charles Flowers of Russellville, Ky., and one sister, Mrs. A. P. Turk, of Clinton, Mo., also survive her.

Mrs. Miller united with the Methodist Episcopal Church, South, in early girlhood and remained a steadfast and faithful member until death. She had been a patient sufferer for the past ten months and death came as a welcome relief, no doubt, to the bed-ridden sufferer.

The funeral services were conducted at the home and at the cemetery and a large concourse of her former neighbors and friends were in attendance to pay their last respects to the dead.

A patient sufferer is at rest, a Christian mother has gone to her rich reward in heaven, and while there are ties the sundering of which must make loved ones weep, surely none should grieve for the departed. Peace to her ashes.

We wish to especially thank the ladies of the Woman's Christian Temperance Union for the beautiful floral offerings at the funeral.  
Respectfully,  
W. F. MILLER AND FAMILY.

### Philathea Class.

The regular meeting of the Senior Philathea Class was held at the hospitable home of Mr. and Mrs. E. G. Garwood on Tuesday afternoon, Jan. 24, 1911.

The meeting was opened with song and prayer. The minutes of the last meeting were read and approved. Each member answered roll call with scripture verses.

Mrs. Jno. Monkhouse, Mrs. R. Chaney, Mrs. Barnes and Miss Lora King were appointed as a committee to arrange for a Box Supper to be given at an early date.

After business and devotional exercises, Rev. Darby led a very interesting discussion on the "Bible Doctrine of Man." Rev. Bennett made an interesting talk on "What some great men have said about the Bible." Mrs. Darby sang a solo which was enjoyed by all.

Mrs. H. G. Henderson in a very pleasing manner, read a selection entitled: "Jesus, Justice and the Sinner."

Mrs. Garwood served delicious refreshments of assorted cakes, chocolate and whipped cream. Mrs. Rodgers, Mrs. Holloway and Mrs. McClagherty were enrolled as new members.

Those present were: Misses Lora and Linnie King, Linnie Beall, Etta Horger and Meda Meriwether. Mesdames T. C. Hickman, Jesse Newton, Dr. Thomas, Stiegler, Jno. Monkhouse, G. W. Monkhouse, Tom Holloway, McClagherty, E. G. Garwood, H. G. Henderson, Darby, Roland Chaney, Jno. Horger and Mrs. R. T. Morgan of Eagle Pass, Rev. Darby and Rev. Bennett.

The next meeting will be with Mrs. Jno. Horger, Feb. 7th, 1911. Let each member come prepared to answer roll call with Scripture verses containing the word "Salvation."

### Married

Mr. H. L. Mofield and Miss Mary Viola Nixon took their families and friends by surprise last Tuesday by getting married. Mr. Mofield went to the home of his intended and taking her in his auto repaired to the home of his parents, Mr. and Mrs. Louis Mofield, at this place, where Rev. M. L. Darby awaited their coming. Here they were united in wedlock and left at once by auto for San Antonio where they took the train for Houston on a bridal tour.

Mr. Mofield is one of Medina county's most deserving young men, steady, industrious and reliable and is to be congratulated on winning such a capital prize in the matrimonial lottery. His bride is the eldest daughter of Mr. and Mrs. J. P. Nixon of Yancey and is a deservedly popular young lady, both pretty and accomplished.

Again may it be truthfully said that love laughs at locksmiths, and now that Cupid has again had his way, we extend the happy couple all of the complements of the occasion. May they live happily ever afterwards.

### Royal Neighbors Install.

The local lodge of the Royal Neighbors of America installed its new officers for the ensuing year at the regular meeting of the order last Tuesday night.

The new officers are as follows: Mrs. J. A. Horger, Oracle; Mrs. Fletcher Davis, Past Oracle; Mrs. Bertha Williams, Vice-Oracle; Mrs. W. M. Hancock, Chancellor; Mrs. W. F. Wanshaff, Recorder; Mrs. H. H. Crow, Receiver; Mrs. Ross Holloway, Marshall; Mrs. Seraphin Keller, Inner Sentinel; Mrs. Louis Stiegler, Outer Sentinel; Mrs. Tom McClagherty, Manager; and Dr. J. B. Morgan, Physician.

After the disposal of the business of the evening, the members present and a number of invited guests enjoyed a repast of sandwiches, salads, cake, chocolate, coffee, etc.

The lodge now numbers forty-one members, and is constantly growing.

### Cemetery Association.

At the January meeting of the Ladies' Cemetery Association Mrs. McClagherty was elected president to fill the unexpired term of Mrs. J. W. Holloway, who has been president since the organization of the Association in February, 1908.

The Association greatly regrets the loss of Mrs. Holloway for she has been a faithful and earnest worker for its best interests since its organization. May she find pleasant surroundings and many worthy friends in her new home.

THE COMMITTEE.

Owing to a mistake in shipping, the posters that should have been here for advertising the show, Eli and Jane, failed to arrive on time and the show is a little short on that class of advertising as we go to press. The Company will be here on schedule time, however, and promise the people of Hondo a high class comedy show—something that will enable you to enjoy an evening of wholesome and refined merriment. It is to be hoped that the public of Hondo and vicinity will give the company the patronage it deserves.

Nelson Lytle, Esq. was here Tuesday on legal business. Mr. Lytle is an attorney of San Antonio.

Blondin's show, the Cowboy, the Indian and the Lady, showed to a crowded tent last Saturday night. The performance was on a par with the usual tent show and the vast throng of people that turned out to see it, appeared to enjoy it. This is probably the best commendation that can be given it.

Col. W. B. Odom went to San Antonio Saturday to see the Merry Widow. Lest some one draw a mistaken conclusion, we will say that this was a play at the Grand Opera House and not the Colonel's own—he only lays FIRST claim to the heart of those of the fair sex that are fortunate enough to be favored by his smiles.

The play of "Eli and Jane" has that snap and go get it that marks it as one of the plays of the day, no long tiresome waits and you are interested all the time. There is something in the play that seems to hold you in a good humor all the time and when it's all over you leave the theatre feeling like the little boy when he had his first stick of candy, "I want more." At the Auditorium Feb. 1st.

### COMPENSATION

Compensation is the term applied to the methods used to secure a uniformity of time in the varying temperatures to which a watch is exposed.

The cause of the error is the expansions and contractions of metals.

The South Bend Balance wheel is made of two metals of unequal expansion, so proportioned, one to the other, that the expansion and contraction is neutralized perfectly. A South Bend Watch keeps time in all temperatures, as well as in all positions.

## Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.

## Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well. Honest druggists do not offer substitutes, and urge them upon you as "just as good." Accept no secret nostrum in place of this non-secret remedy. It contains not a drop of alcohol and not a grain of habit-forming or injurious drugs. Is a pure glyceric extract of healing, native American roots.
